## Staff Highlight: Emily Silver

"My time at Still Water started when I was nine. I went to the Calallen Champ Camp and absolutely loved it. When I became staff age, I served at Calallen Champ Camp and started getting involved in other ways. Soon after that, Laney asked me to host a Nueyo, a Still Water Bible study. That was one of the greatest blessings of my life and I love my girls so much! This past summer I got the opportunity to be COWI crew and a TL for the first time. Watching God work in my girls' lives was such a beautiful thing. My God moment was during Chalk Talk when one of my girls came and hugged me and worshipped God with me! It was such a wonderful moment that reminded me of how good God is and how much He loves us!"

## IMPACT REPORT SUMMER 2023

### What do you thirst for? John 4:14

After 21 summers of putting on camps, we can definitely attest to God's goodness and faithfulness, and like the psalmist says "the LORD is good and His love endures forever, His faithfulness continues through all generations." (Psalm 100:5) This year was no different. We are so encouraged to look back on all the stories of what the LORD has done in the hearts and lives of so many campers and staffers that entered the gates, and look forward to the stories and testimonies that will come throughout the next year as ministry continues.

## CampUS Ministries

NUEYO • CHALK TALK • WAR ROOM

We know how important it is to have community and accountability outside of camp. Our NUEYO groups (Never Under-Estimate Your Opponent), Chalk Talks, and Waroom (college staff) provide just that – a place for campers and staff to dive deeper into God’s Word and be encouraged throughout the year.

This last school year, we had 16 groups in the Hill Country, 2 in the Coastal Bend, 2 in San Antonio, and 1 in Houston.

If you are interested in being connected to our CampUS Ministry or start a group in your area, please email [info@swcm.org](mailto:info@swcm.org).
