Welcome to Still Water Family Camp 2027

Still Water Christian Ministries was birthed on the tranquil shores of Baffin Bay (the Landcut) & Turtle Bay in Palacios, Texas in the year 2000. As we move into the 21st century, we recognize the only cure for the viral infection of sin on the people of the United States of America is the Word of God working in & through the hearts of man!

Together, with like-minded ministry partners, we seek to serve & impact impoverished areas across Texas bridging the gap between the have & have-nots along with fulfilling Christ's call on the church - to reach out to those in need, regardless of race, gender, or economic background. As an extension of the Body, SWCM will continue to prayerfully strive with every breath to be Kingdom-minded in every movement of the ministry. We believe the chief end of man is to glorify the Father & enjoy Him forever.

This is the 12th year for family camp in Colorado and we are excited that you are here. Know that your family and time here has been prayed over before you arrived. We look forward to the experiences you will have with other families and with our Heavenly Father.

Kim and Corby Richardson along with Britton and Carrie Hardcastle will be your camp hosts and lead worshippers this week. We desire to see you not only build on your family relationships, but that you can REST, Have Fun and Renew your spirit while in the mountains.

Matt and Becca Moehrig have dedicated their lives to creating a camp and worship experience that goes above and beyond for God's glory and Kingdom impact. Thank you for joining us this week…..
